- Open to USA, UK, Canada, and Europe. Void where prohibited.
- *Must 18 or older or have verified Parental/Guardian consent.*
- *No Sexual, hateful, harmful, nefarious or otherwise inappropriate content allowed. ThePLAYcoin team has the right to disallow entries on a per case basis.*
- English language games only
- No inclusion of anything that breaks a law or violates someone's rights.
  - Example: No likenesses allowed.
- Must use legally licensed software, content, and process.
- All content used must have licensing/rights reserved or copyright for use. If you aren't sure you can use it, then don't use it.
- Each team accepts and agrees to not hold PLAY liable for any and all aspects of this event. If a person or team feels issue with the process, then the team agrees to silently depart from the event without further mention of the event.
- No bad behavior. No ill will. Before, during and after.

HERE'S THE PROCESS

- Three-step application process
  - Form application - reviewed by the PLAY Team, 'good' applications move forward
  - Public vote - top 10 vote getters move up
  - Live pitch, streamed, top 5 get approved
- Teams get 2 weeks to develop game from scratch, but are allowed to use any template or asset in the Unity Asset Store (and ONLY the Unity Asset Store)
- 6 update videos during the weeks, monday - wednesday - friday, 1 hour live streams
- Final show, 2-hour final presentation of the game, live voting, with winner determined LIVE at the end of the show
- ALL games suitable for release will have the option to publish on the upcoming PlayArcade site and be integrated with Rally Creator Coin for monetization
