

# ARAZ FARKOSH

PROJECT LEAD.

I am a social person who easily gets contact with people and love to create new contacts and relationships. Competitive with long sales experience and corporate experience. Studied and worked with digital development. I'm structured, stress resistant and can very easily start and lead projects to good results. Committed and ambitious, never satisfied with okay, always striving to improve me and my surroundings.

UNIVERSITY OF GOTHENBURG  
2017 TO 2020

## HOW I APPROACH MY ASSIGNMENTS

### REQUIREMENTS ELICITATION

Planning and analysing the requirements and use cases of the product is key in order to get a holistic perspective of the project.

### AGILE DEVELOPMENT

By working iteratively and incrementally, high flexibility, constant improvement and product quality is ensured for our clients and customers.

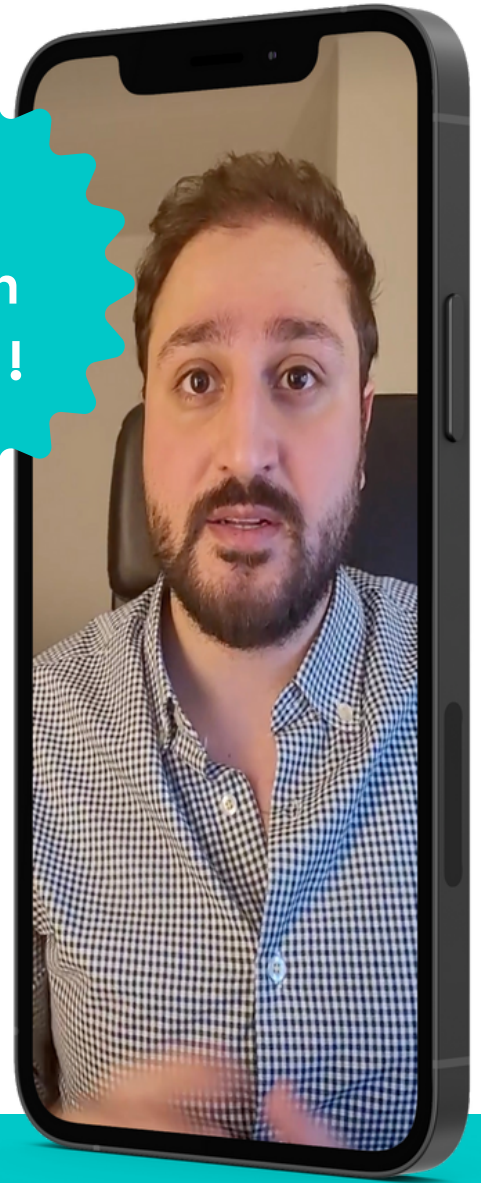

### EFFECTIVE COMMUNICATION

Effective communication facilitates that the team, leadership and stakeholders are aware of the expectations upon them and that those expectations are fulfilled.

### PLAY TO THE STRENGTHS OF THE TEAM

Allowing for creative freedom the team can work to their strengths in such a way that their unity is worth more than the sum of its parts, creating an effective and collaborative team environment.

HIGH ABILITY

5

(5) VERY HIGH  
ABILITY

## ABOUT SINGULA

Singula is a consulting company in IT, technology and management. The company is started by entrepreneurs with many years of experience in the consulting industry in Sweden. After many years in the industry, we see great potential in creating a consulting company where people are really in focus. Singula will do that by turning everything upside down. If we are to revolutionize the industry, we cannot follow in the footsteps of everyone else.
